PCE Parents and Families,

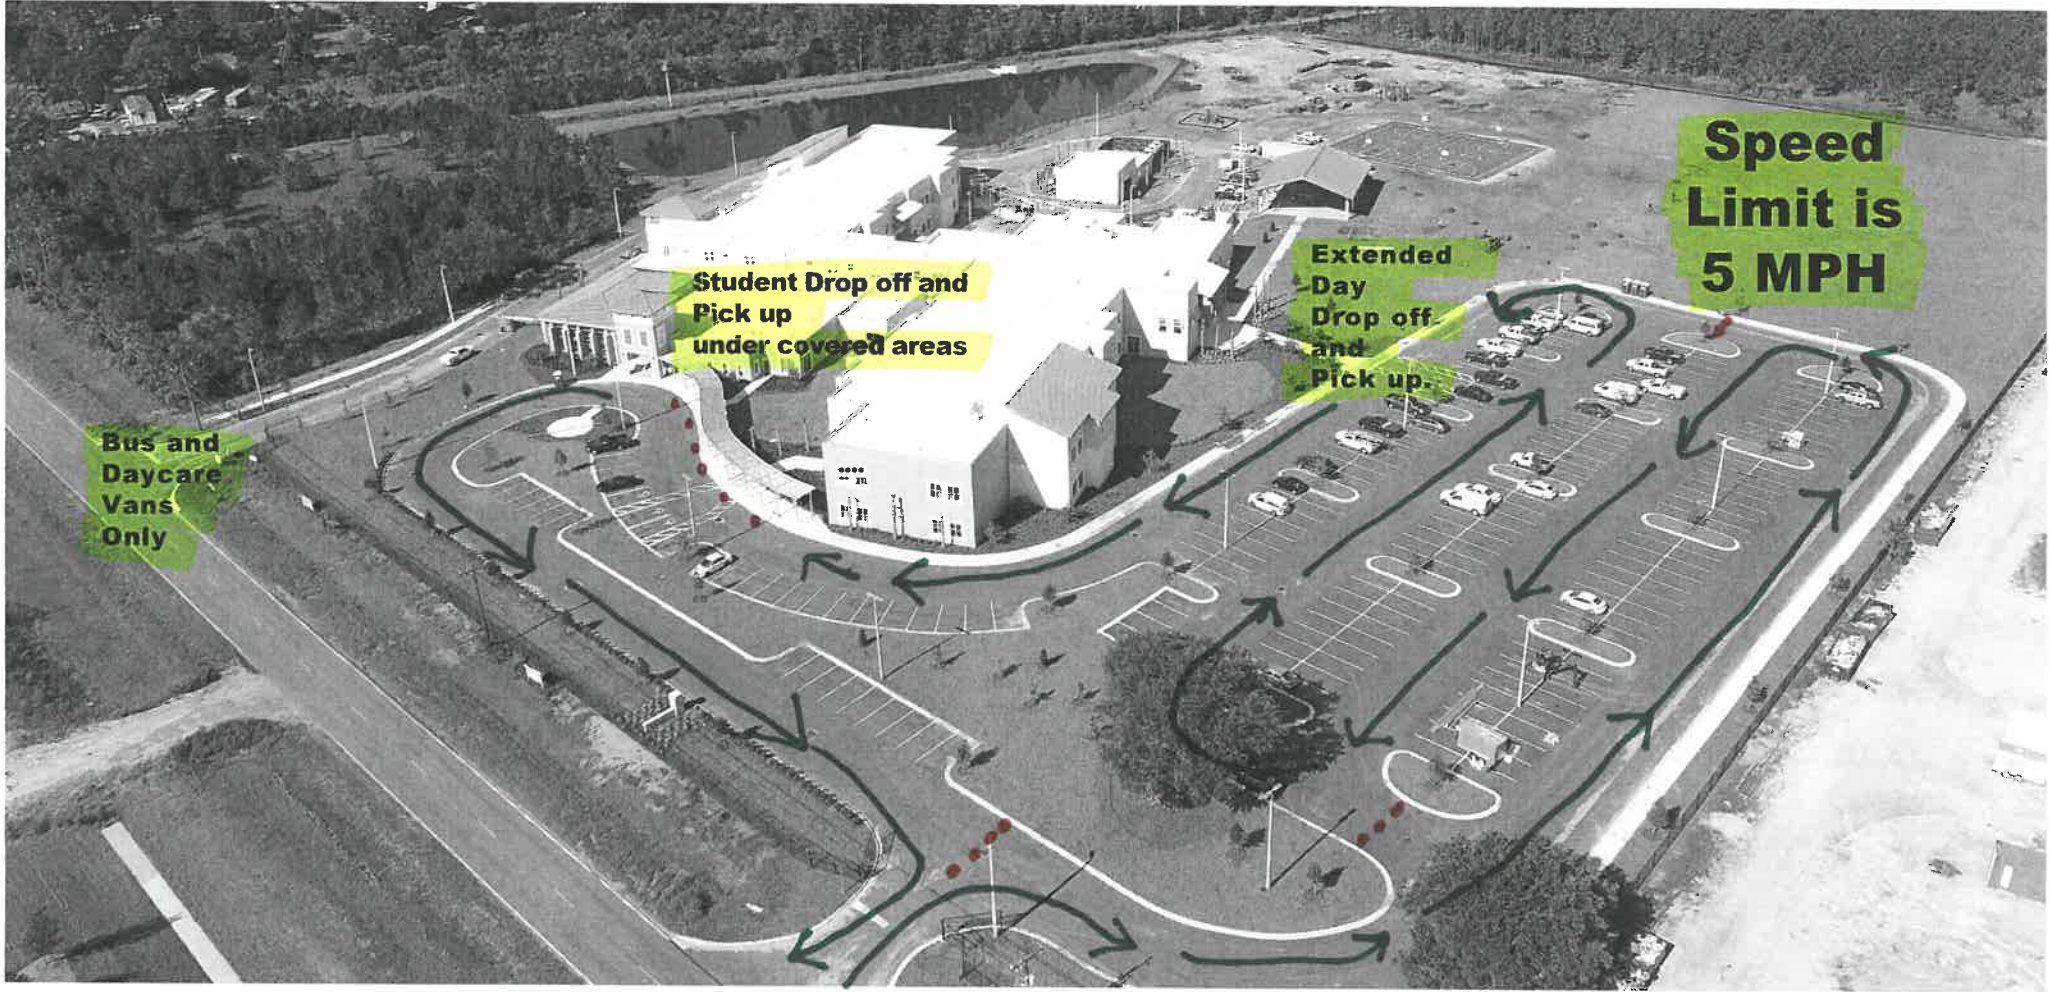

I want to let you know about a change in our **dismissal** process. The Sheriff's Office requested that we change our car line in the **afternoon** to help alleviate cars backing up on Pacetti Road. Beginning Thursday, August 17th, we will "snake" cars around our side parking lot during **dismissal**. This is the same area that we have been using since the first day of school. The only difference is we will 'snake' cars through the parking lot in an attempt to not block the road. I apologize for having to change the process so quickly. We will have staff out during dismissal to assist. **This change is only for dismissal. The arrival process will remain the same.** See the attached map that illustrates changes.

Please remember to drive extremely slow in our car line to ensure student and staff safety.

Thank you for your cooperation,

Jud Strickland

Principal
