# Schedule of Fees

## 2020-2021 School Year

For your convenience and to simplify the payment process, we have divided the Extended Day fees into 10 equal payments. There are 180 days of school each year, and each month has a different number of school days. We have divided the 180 school days by 10 payments; each payment is for **18 days** of service.

**All payments are due by the 1<sup>st</sup> of the month** or if the 1<sup>st</sup> falls on a weekend or school holiday, payment must be made prior to school closure. For instance, if the 1<sup>st</sup> falls on a Sunday, payments will be deducted on the Friday prior. Payments are designed to be paid in advance of services provided. Although we do allow payments by check, cash, credit card (both online and in person) prior to the payment due date, for a child to be enrolled in our program, **it is required (no exceptions) that your debit, credit, or checking/savings information is setup within our automatic payment processing system** through a third party known as Tuition Express.

State law prohibits attendance if tuition has not been paid. Please help us remain in compliance by keeping your EFT account information current OR by making your tuition payments before the automatic payment deduction date. **Communicating with Administration is important, and it is imperative that your card on file is kept in good standing to avoid penalties.** A \$40 charge will be assessed for checks returned to us by the bank for insufficient funds as well as declined EFT transactions.

\*Please make all checks payable to **Village Extended Day Alpha, LLC** and notate your child's name in the memo line.

**OUR PHILOSOPHY:** We believe that we have a tremendous opportunity to impact the lives of children by providing an informal setting for safe, fun, nurturing and enriching after-school experience. We encourage team building, friendship skills, volunteerism, and personal growth all while having fun after-school. Our philosophy is guided by the following principles:

**EXCEPTIONAL QUALITY:** Village Extended Day Services is committed to providing the highest quality before and after-school experiences for the children in our care. We have over 40 years of child-care experience and provide excellence through the well-planned and supervised daily activities that allow for learning through play and exploration. We provide high quality professional training for our staff to ensure that our Directors and counselors remain current with evidence-based behavioral management and curricula implementation strategies.

**PARTNERSHIP WITH PARENTS:** We strive to exceed parent expectations in all aspects, especially when it comes to communication. We recognize the importance of family involvement in children's learning. We keep parents informed on the structure of the program, schedules of the day and daily activities. Our goal is for parents and staff to truly partner together in order to achieve the highest level of success for each child.

**STRONG RELATIONSHIPS:** We recognize that non-cognitive skills like attentiveness, motivation, self-confidence, and a positive attitude are equally as important as cognitive skills in children's future academic success and work-related skills. Healthy development of these and other social and emotional skills is dependent on the quality and reliability of a child's relationships with family members and other caretakers. Village Extended Day programs are arranged in ways to enhance social development. Our counselors not only model appropriate social interactions but provide opportunities to promote social functioning and directly teach appropriate ways to interact and handle problems with friends as well as provide a mentor relationship with children. We ensure that children know they are safe, secure, and loved regardless of their behavior on a given day. Our counselors strive to promote friendships among children recognizing that social growth and support will provide a strong foundation for children's character development and future life skills.

**MISSION/VISION STATEMENT:** The mission of Village Extended Day Services is to provide your child with a safe, fun, and enriching after-school experience. Through our unique approach, we provide energetic environments that are nurturing and filled with a variety of structured activities that provide opportunities for learning, exercise, social development, and FUN! Parents are assured that children are properly supervised and provided with engaging and stimulating activities and have an appropriate balance between homework, exercise, skill development, and social activities.

**WELCOME** We thank you for entrusting your child to the caring, dedicated staff of Picolata Crossing Extended Day. We look forward to the opportunity to “team up” with you in caring for your child. We operate our extended day programs using a similar structure to our Summer Camps. Our afternoon session begins with an all group roundup. We then break into manageable groups that rotate through a series of planned, supervised, fun activities. Daily activities include homework and snack time, science experiments, cooking projects, music and movement, sports & outdoor games/playtime, challenges, and community service projects. Parents are ensured that children are properly supervised and provided with an enriching afterschool experience.

**INTRODUCTION** This manual is intended to provide you with information about the Picolata Crossing Extended Day program and will help us to deliver the best possible experience for your child. Please let us know if you have any questions. We ask that you please read the following information carefully before signing.

Picolata Crossing Extended Day will review prices annually and reserves the right to adjust prices for each academic year, or at other times during the year due to unforeseen economic conditions or extraordinary expenses. We will provide at least two weeks notice of any changes. Just as we will provide notice for changes, we ask the same of you. We request a two-week notification of any schedule changes, such as switching from five afternoons to three, mornings only to both mornings and afternoons, etc. The same requirement for withdrawing a student from the program applies. Tuition refunds, if applicable, will be pro-rated against the two-week notification.

**III. State of Florida Laws | Program Rules & Expectations** Our extended day program is licensed by the Florida Department of Children and Families (DCF). There is an extensive list of rules with which we must conform, and it is important that you be familiar with some of these as they directly impact you.

**A. Child Pick-Up Authorization** Florida law requires that no child leave our care with anyone who is not named on the child's registration form or in writing. A parent/legal guardian may give separate **written permission** at any time for an individual at least 18 years of age to pick up the child. An email or text copy of your permission and signature is acceptable. Verbal authorization is never permitted. That means there are no circumstances under which you can call us, even in a personal emergency, and provide verbal authorization to release your child to someone not on your designated pick-up list.

You may remove anyone from your pickup list at any time. The only exception is that you may not remove a child's parent without providing us with the appropriate court order.

For safety and liability reasons children may at no time be released from the care of Picolata Crossing Extended Day to bike or walk home. As stated, an individual at least 18 years of age must be authorized to pick-up children from Picolata Crossing Extended Day.

**B. Health & Medication** We would prefer that medication be administered at home or during school hours by the school nurse whenever possible. We only give medicine that is a prescription and is required during extended day hours, or emergency medicine like an Epi-pen. Medication needed less frequently should be administered at home whenever possible. All medication must be labeled and in its original container and placed in a Medicine Bag with a completed medication usage form. We cannot exceed the dosage written on the bottle or box without doctor's written approval. Always give medicine directly to your Director – please do not send in your child's backpack. An authorization form is required. We suggest that you apply sunscreen in advance before your child arrives at

school. We are not able to apply sunscreen or insect repellent while your child is in our care.

**C. IEP & Behavior Plans** Picolata Crossing Extended Day strives to provide each of its students with the highest quality and safest before and after school experience. Research shows that consistency is pivotal to children's success. To aid in this, it is required that you provide us with a copy of your student's IEP, 504 Plan, or any other behavior plan that is on file with the school so that we may implement the same strategies used during the school day.

**D. Abuse** By Florida law, staff is required to document and report any signs of abuse and neglect to the Florida Abuse Hotline without Village Extended Day Services' knowledge or approval. Sometimes mistakes are made, but the staff will always err on the side of the child's safety.

**E. Smoking** Smoking is not permitted on the school grounds or parking lot. Picolata Crossing Extended Day is subject to a non-compliance citation by DCF if anyone violates this prohibition.

**F. Fire and Disaster Drills** DCF requires us to hold monthly Fire and/or Disaster Drills. We try to prepare the children for the experience, so they are comfortable with the procedure. We apologize in advance for any inconvenience this may cause as there will be no one to open the doors at this time, because we have evacuated to the playground for our drill. Please be patient. Our drills do not usually take a long period of time and we will be with you as soon as possible.

#### **IV. Picolata Crossing Extended Day Policies & Procedures**

**A. Waitlist** Picolata Crossing Extended Day enrollment opens in the spring of the school year prior. Enrollment occurs on a first come, first serve basis. Due to the limited space available, we have a finite number of spaces. Should a waitlist be required, families will be admitted in the order their enrollment forms & registration fee were received. Availability is then based on capacity in your child's grade level. Placement on the waitlist is not a guarantee of a future space in extended day. Please be assured we make every effort to place as many families as possible

**B. Discipline** At Picolata Crossing Extended Day, it is our policy to treat our children with love and respect. To accomplish this goal, we employ positive reinforcement. Children are curious and it is developmentally appropriate for them to test rules and limits. We believe that catching children when they make good choices by complimenting them and positively reinforcing good behavior is far more effective than disciplining children when they misbehave. We train our staff to talk to children on their own level by making eye contact and validating children's thoughts and feelings. At no time are negative reinforcement techniques requiring the use of physical punishment, or the withholding of food or toileting, acceptable.

We do our best to align our behavior expectations with those of Picolata Crossing's Pride Expectations.

Our Pride Expectations for Extended Day behavior may be found in the Picolata Crossing Pride Matrix and include but are not limited to the following:

- Prepared: Children are to report to roll call immediately following dismissal with all belongings (jackets, water bottle, homework)
- Respectful: Children are to listen to and follow directions just as they would in their classroom during the school day
- Inspired: Children are to be kind, use kind words, and are to include all who want to participate
- Determined: Children are to stay with their group, follow school rules, keep hands, feet, and objects to themselves
- Engaged: Children are to complete homework during homework time and to participate in daily activities

**C. Approach to Difficult Behavior & Bullying** Aggression is unacceptable in any form, including hitting, throwing objects, disrespect and disruptive behavior, running away from the child's group/counselor, use of inappropriate language or note writing, and verbal threats of intimidation and cruelty. We work as partners with parents on behavioral issues. However, there are rare times when dangerous aggressive behavior OR deliberate unkind behavior can lead to suspension or dismissal from our program. Most behavior issues will be handled on site between the counselor and the child. Severe instances will result in an incident report and parent contact. Repeat occurrences of previously addressed behavior or extreme behavior may result in suspension from the Extended Day Program. Our goal for short term suspension is for parents to work at home with children on strategies to improve and correct behavioral issues. Reoccurrences of the issue following suspension may result in disenrollment from our program.

**D. Termination of Services** Village Extended Day Services reserves the right to disenroll any child for any reason at any time, to include non-payment for services, severe behavioral issues that may affect the safety of other children, teachers, or him/herself, and non-compliance with this Policies and Procedures contract. The parent will be notified by phone call and/or as part of a parent conference.

**E. Dress Code** Please refer to Picolata Crossing dress code. Keep in mind your child will participate in potentially messy activities such as art, cooking, shaving cream games, or occasional water play. While we try to use "washable" products, we know that stains do not always wash out. Please send your child in weather appropriate clothing, or with a jacket in their backpack as needed. We recommend writing your child's name on all clothing articles.

**F. Biting Policy** Biting is not an appropriate behavior for school aged children and if this scenario is to occur, your child may be suspended or expelled from Picolata Crossing

Extended Day program.

**G. Personal Valuables & Electronic Devices** We do not allow children to bring toys from home, electronic devices, cash, valuable jewelry, etc. Picolata Crossing Extended Day will not be responsible for the loss or damage of such items. Regular use of cellular phones, iPads and other devices is not permitted during the hours your child will be attending Picolata Crossing Extended Day. With permission, devices are acceptable as a tool for homework only during designated homework times.

**H. Medical Emergency** In the event of emergency while your child is in attendance, you grant Village Extended Day Services and Picolata Crossing Extended Day permission to administer care as it sees fit for the child's best interest.

**I. Snacks** Daily snack is provided. If your child has food allergies and cannot eat some or all of the snacks we provide, for any reason, it is your responsibility as a parent or guardian to ensure the Director is aware and to arrange a plan for your child's snacks.

**J. Religion** Village Extended Day Services nor Picolata Crossing Extended Day has any affiliation with any religious orientation or organizations.

**K. Illness and Contagious Symptoms** We know it is an inconvenience to be called out of your work-day to come pick up your child due to an illness, and while we do sympathize, we also believe that it is important that we work together to minimize the spread of germs. You may be called to pick up your child if he/she develops any of the symptoms listed below:

- a. Severe coughing
- b. Difficult or rapid breathing
- c. Stiff neck (especially if the child cannot lift their head up and down)
- d. Vomiting and/or Diarrhea (2 or more abnormally loose stools within 24 hours) \* e. Temperature of 100 °F or higher when in conjunction with other signs of illness\* f. Temperature of 101 °F or higher in the absence of symptoms\*
- g. Eyes that are irritated and discharging\*
- h. Exposed, open skin lesions
- i. Green discharge from the nose that lasts more than 2 days\*
- j. Unusually dark urine and/or gray or white stool
- k. Yellowish skin or eyes
- l. Any other unusual signs or symptoms of illness

**\* These items require your child to be symptom-free for 24 hours before returning unless approved by a doctor with a doctor's note.**

**\* If your doctor determines that your child has a contagious disease, such as chicken pox, whooping cough, measles, etc., please notify us immediately so that we can inform the other parents.**

If your child is found to have head lice or nits, they may be asked to leave extended day and may not return until you have treated their hair and pulled the nits. Your child will be checked by our staff, before returning to the program. If live lice or numerous nits are

found after initial treatment, we cannot accept your child to return to the program. Please check your child's head nightly and pull any nits you see, so that they may not hatch again.

*\*Note that these policies for illness and symptoms are a combination of the State of Florida DCF requirements that we must follow and our own guidelines.*
