Welcome Back to School!

We are excited about the upcoming school year! The staff, students, and parents worked extremely hard to make the distance learning, at the end of last year, as successful for students as possible. With students returning to our school, we are taking extra precautions to make it a safe and welcoming environment. Our custodial team worked diligently throughout the summer to clean the building to open this new school year.

At PCE, our goal is to provide high quality instruction, in a caring environment, that ensures that every child is prepared for secondary education and beyond.

Our Core Values are as follows:

- Trustworthiness, respect, responsibility, fairness, caring, and citizenship are essential to the well-being of individuals and society.
- All individuals have intrinsic value.
- Every individual can contribute something of worth to society.
- Individuals are responsible and accountable for their choices and decisions.
- In order to grow and thrive, individuals need caring relationships and a nurturing environment.
- Supportive family relationships are the foundation of the community.
- High expectations lead to higher performance which, in turn, empowers the individual and strengthens society.
- Continuous learning is a lifelong process that is essential to a productive and enriched life.
- A safe and orderly environment is conducive to learning.
