Village Extended Day Services Presents Picolata Crossing Elementary School Extended Day!

We make things easy for you! We offer a first class on-site Extended Day program in St. Johns County. We provide an energetic environment that is safe and nurturing and filled with opportunities for learning, exercise, social development. We include a variety of fun structured activities such as STEM, cooking, group projects, arts & crafts, outdoor free play and organized sports. Our parents can be assured that their children are properly supervised, provided with engaging and stimulating activities and have an appropriate balance between homework time, exercise, skill development and social activities.
